

hobbylock™ 2.0

15 stitches mean a professional finish on every fabric!

Find instructions for this embellished active-wear top on www.pfaff.com

Sew, trim, and finish edges – in one step!

1,300 stitches per minute – as fast and as perfect as it gets

Velvet, wool, terry cloth, silk, denim, cotton or stretch fabrics – the PFAFF® hobbylock™ 2.0 overlock machine has the right stitch. Perfectly finished edges with seams that stretch when you move. The PFAFF® hobbylock™ 2.0 overlock machine is perfect for creating custom active-wear fashion.

Fantastic features and a wide range of stitches!

The new PFAFF® hobbylock™ 2.0 overlock machine is modern and easy to use and has many practical features, including 15 stitches, adjustable stitch length, built-in rolled edge, free-arm for sewing sleeves and pant legs, electronic speed control, and much more.

Perfectly even seams

... thanks to Differential Feed! Two rows of feed dogs eliminate stretching or puckering of seams. Create beautiful waves or gathers by adjusting the Differential Feed settings!

Threading quick & easy!

Colored threading paths are marked on the machine to make threading easy. Included with your purchase is an interactive DVD that clearly shows threading, step-by-step. Also available on the Internet!

Add attractive accents

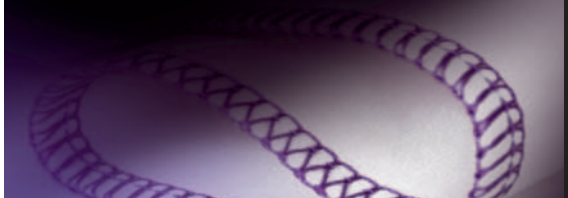

The PFAFF® hobbylock™ 2.0 overlock machine has a decorative side! Overlock decorative details on casual sportswear, sassy summer tops, and more to create interesting effects.

Add attractive accents with the three-dimensional flatlock stitch – a real eye-catcher. Or give it even more appeal with colored decorative thread.

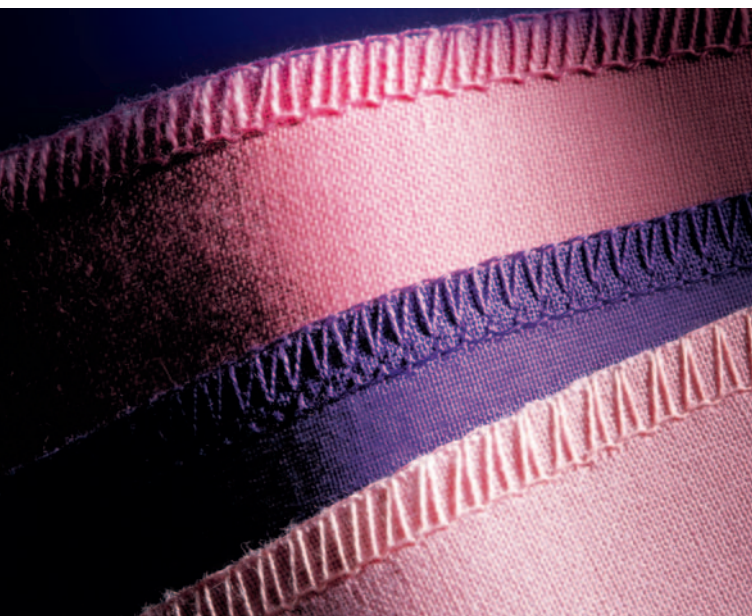

Use a classic rolled hem to give fashionable accessories of the sheerest silk or chiffon an elegant finish.

Let yourself be inspired. Discover the fascinating variety of stitches offered by the PFAFF® hobbylock™ 2.0 overlock machine.

	2-thread overlock wide & narrow Finish an edge before you sew fabrics together with a regular straight stitch.		2-thread overlock wrap wide & narrow Beautiful finish for lightweight or wool fabrics.
	2-thread rolled edge Edge finish for lightweight fabrics. Nice finish on silky scarves, pillow ruffles and napkins.		2-thread narrow edge Edge finish for light- and medium-weight woven fabrics and lightweight knits.
	2-thread flatlock Sew stretchy fabrics together with decorative effect, or finish edges of medium-weight fabrics.		3-thread overlock wide & narrow Seam, overcast the edge and trim away excess fabric in one step.
	3-thread overlock wrap wide & narrow Perfect for finishing skirts or as lettuce edge on fine fabrics.		3-thread rolled edge Give a nice finish to silky scarves, pillow ruffles and napkins.
	3-thread narrow edge Give a nice finish to silky scarves, pillow ruffles and napkins.		3-thread flatlock Sew stretchy fabrics together with a decorative effect, either with the flatlock side or the ladder stitch side.
		4-thread overlock Seam, overcast the edge and trim away excess fabric in one step. For all seams where stretch or give is needed, such as neck edges, side seams, sleeves.	

●● Ask your PFAFF® dealer for a personal demonstration and try the PFAFF® hobbylock™ 2.0 overlock machine for yourself.

When an overlock finishes a fabric edge, the results are as professional as the best ready-to-wear.

In one step, it trims the fabric edge and finishes it with up to 4 threads – so quickly that it is a joy to watch. Each fiber of the fabric is caught so thoroughly that nothing can fray.

An overlock machine is an absolute “must” for sewers who value a perfect finish. You’ll be surprised how much there is to discover ...

hobbylock™ 2.0

At a glance!

4, 3, 2 thread sewing – many options for utility and decorative sewing.

15 stitches – trim, stitch, overcast and embellish projects in half the time.

Lay-in tension and color-coded thread paths – for quick, convenient threading.

Threading Guides – detailed interactive DVD and printed quick guide for threading all stitches.

Free arm – makes sewing cuffs, sleeves and other small areas easy.

Differential feed – adjustable for perfectly even seams. No stretching of the seam or puckering of fine fabrics.

Adjustable stitch length, cutting width and presser foot pressure – choose optimal settings for different fabrics and techniques.

Extra presser foot height – room for several layers or heavy fabrics.

Waste tray – catches fabric trimmings.

Safety lockout – when the front cover is open the machine will not sew.

Thread cutter – conveniently placed for quick cutting of threads.

Universal Standard presser foot – can be used with all built-in stitches.

Electronic speed control – stitch-by-stitch control with full piercing power at all speeds.

Sews 1,300 stitches per minute – sew faster, save time.

Built-in extended carrying handle – move the machine without tangling the threads.

Moveable upper cutter – disengage the cutter for special techniques.
